

# NU-LIFT CLEANER

Mineral Cleanser

# SEMCO

modern seamless surface

SURFACE ENGINEERING COMPANY

## Technical Product Information

### PRODUCT DESCRIPTION

Nu-Lift Cleaner is formulated with an environmentally-responsible mineral acid that is user friendly. Nu-Lift Cleaner does exactly what its name implies: it lifts out and removes dirt, alkalinity, efflorescence, hard water deposits, magnesium, and stains from surfaces like grout and natural stone without harming or discoloring.

### FEATURES / BENEFITS

- Removes organic deposits
- Balances low pH
- Safely dissolves: efflorescence, magnesium, lime deposits, soap scum
- 100% Biodegradable
- Can be safely used in confined areas

### SUBSTRATES

- Concrete surfaces
- Masonry surfaces
- Natural and cultured stone
- Grout
- Pool decks
- Walkways
- Driveways

### SPECIFICATIONS

Drying time	2 hours
Cure time	72 hours
Color	Blue
Chemical type	Mineral acid
Clean up	Water

Packaging (base and color activator)	1 quart, 1 gal. pail, 5 gal. pail

### TEST RESULTS\*

Magnesium deposit	Excellent
Alkali resistance	Excellent
Rust	Good

\*Tests are based on Semco Modern Seamless Surface experience unless otherwise noted.

#### PRECAUTIONS

Always test a small area first to determine ease of application and desired results. Gloves and eye protection should be worn during application. Do not mix with other cleaners. Not for use on humans or animals. If any contact with skin or eyes occurs, wash immediately with plenty of water. Be sure to read container label and Material Safety Data Sheet before using this product.

#### LIMITED WARRANTY NOTICE

SEMCO Modern Seamless Surface warrants that its products will meet their specifications. There are no other warranties, expressed or implied of merchantability or fitness of use. The only obligation of the seller-manufacturer shall be to replace material found to be defective. SEMCO Modern Seamless Surface will not be liable for labor or consequential damage of any kind. The information contained herein is, to the best of our knowledge and belief, true and accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and assume no liability for damages incurred by use of this material. It is the responsibility of the user to comply with all applicable federal, state and local laws and regulations. All chemicals may present unknown health hazards and should be used with caution.
